

**United Way of Greater Nashville | The Family Collective**  
**Release of Information from Metro Nashville Public Schools**

The Family Collective (TFC) is a partnership of service providers managed by United Way of Greater Nashville (UWGN) and funded through the Tennessee Department of Human Services (TDHS) and the Siemer Institute.

TFC focuses on working with families to set and achieve goals related to education, upward economic mobility, health, community engagement, workforce readiness and financial literacy. To better track achievement for a family's goals, to aid partner agencies and to improve reports to funders, TFC requests that the parent(s) or legal guardian/caretaker of the child release the following information from the Metropolitan Nashville Public Schools (MNPS) database for the students listed below:

Student Name	Date of Birth	Current School Year	Prior School Year

TFC requests the above student(s)' release of information from MNPS for the following information ("data"):

- Daily Attendance – Prior and Current Year
- Basic Behavior Summary – Prior and Current Year
- Grades – Prior and Current Year
- School Enrollment and Transfer Information – Prior and Current Year
- IEP Status – Filed or Not Filed
- TN Ready Scores – When and If Available
- TCAP Scores – When and If Available

I understand that United Way of Greater Nashville and its partner agencies will have access to MNPS-created reports containing the information above about the listed students, and this information will be used for reporting and evaluation. This data will not be sold or used for any commercial purpose. This data will not be shared with any third parties without the parent(s) or legal guardian/caretaker's consent. The signee understands that the data, except for personally identifying information, may be combined with data provided by other families receiving services from TFC partners for the purposes of reporting and program evaluation.

I have read this waiver, or it has been read to me. I understand the information and have had my questions answered. I agree to release information for my student(s). I understand that this release of information will be valid for two years from the date of signing.
