

United Way of Greater Nashville
2021 Day of Action
Give Thanks

Frequently Asked Questions

Is Give Thanks the same as the Full Tummies, Warm Hearts event previously hosted by United Way of Williamson County?

Yes, Give Thanks is the same as Full Tummies, Warm Hearts. New name, same food initiative. Even bigger impact! The Give Thanks Day of Action now serves five counties in the Greater Nashville community.

Will I be matched with a specific family?

No, in order to serve as many families as possible throughout our five county area, we ask our sponsors to create standardized boxes for a family of four to be distributed to families throughout the region. Sponsors are welcome to sign up for multiple boxes.

What if a family is larger than four members?

Great question! Larger families are eligible to receive more boxes. *(Example: five- to eight-member families receive two boxes; nine- to 12-member families receive three boxes.)*

Can I personalize my food box with Thanksgiving napkins or coloring books for kids?

We ask that our sponsors create consistent food boxes with only the required items from the shopping list. However, feel free to personalize it by selecting your favorite brands.

What about families with varying dietary needs or cultural traditions?

We understand that not every family we serve celebrates Thanksgiving. That's why the grocery store gift card included with every box is so important, allowing families the freedom to choose and shop for the food items that are right for them.

Can I specify my food box be delivered to a family in a specific county?

Yes. Boxes dropped off to the Williamson County location will be distributed to families in Williamson and Hickman Counties. Boxes dropped off in Robertson County will be distributed in Robertson and Cheatham Counties. Boxes dropped off in Davidson County will be distributed to families in Davidson County.

What should I do if I only want to donate grocery gift cards?

Grocery gift cards valued at \$25 each from Kroger, Walmart or Publix are welcome for donation.

Can I make a monetary donation instead of a food box?

Yes! Please visit unitedwaygreaternashville.org/give-thanks to make a monetary donation or purchase a box for \$75.
