

“Deciding to participate in *United Way Life* was an easy decision for us because it is not very different from how we currently support United Way. United Way is uniquely positioned to broadly assist our community across multiple areas of need and that’s why we choose to donate to this important mission. Signing up for this policy ensures that we can continue our desire to give back to others in this community, even after we are no longer here.

MAGNIFY YOUR IMPACT

United Way Life®

United Way Life allows you to easily and affordably magnify your impact on the community more than you might have dreamed possible. The **United Way Life** program is designed to be one of the easiest and most cost-effective ways for you to leave a legacy to benefit our future community without making any changes to your estate plans.

HOW DOES IT WORK?

This program uses life insurance to create your gift through five annual payments to United Way. United Way offers matching funds for your gift, which is eligible for an income tax deduction. United Way is the sole owner and beneficiary of the irrevocable insurance policy.

Potential cost of a United Way Life gift for each of the five program payments. United Way of Greater Nashville has a matching fund for United Way Life gifts, thus the below premiums would be half for all donors.
