

WE ARE ONE!

UNITED WE WIN.

Congratulations on your new position!

You are joining a workplace committed to changing our community for the better. At United Way of Greater Nashville, we are working toward a community where every person has an equal chance at a bright future. We do this by partnering to break the cycle of poverty; give every child an equal chance to learn and succeed; build strong, healthy communities; and meet our neighbors' basic needs.

You can be a part of that meaningful and lasting change. No matter the size, your donation will change lives.

Here are several ways just a few dollars can help those who need it most:

- \$2 per pay period* = eight meals for a family of four
- \$4 per pay period = books for 80 preschoolers
- \$10 per pay period = educational summer camp for 12 kids in need
- \$20 per pay period = job training for four people so they can support themselves financially
- \$40 per pay period = counseling for five victims of abuse

*26 pay periods per year

At United Way, we are careful stewards of your generosity. With our transparent process, your investment goes toward proven programs and agencies that tackle the toughest challenges throughout Cheatham, Davidson, Dickson, Hickman, Houston, Montgomery, Robertson, Stewart and Williamson counties.

Join us as we work to build a community where every child, every individual and every family thrives.
