

# WE ARE ONE!

## UNITED WE WIN.

### Congratulations on your new position!

You are joining a workplace committed to changing our community for the better. At United Way of Greater Nashville, we are working toward a community where every person has an equal chance at a bright future. We do this by partnering to break the cycle of poverty; give every child an equal chance to learn and succeed; build strong, healthy communities; and meet our neighbors' basic needs.

You can be a part of that meaningful and lasting change. No matter the size, your donation will change lives.

Here are several ways just a few dollars can help those who need it most:

- \$2 per pay period\*** = gives food assistance to 10 families of four to improve their food security
- \$5 per pay period** = stabilizes 7 individuals in a health-related emergency or crisis situation
- \$10 per pay period** = provides training opportunities for 10 people to improve their job skills and self-sufficiency
- \$20 per pay period** = helps 24 children to increase their literacy and/or numeracy skills
- \$50 per pay period** = assists 38 individuals with services to improve their physical health

\*26 pay periods per year

At United Way, we are careful stewards of your generosity. With our transparent process, your investment goes toward proven programs and agencies that tackle the toughest challenges throughout Cheatham, Davidson, Dickson, Hickman, Houston, Montgomery, Robertson, Stewart and Williamson counties.

Join us as we work to build a community where every child, every individual and every family thrives.
