

WE ARE **HERE** WE ARE **ONE**

**UNITED WAY**  
Greater Nashville

**NEEDLINK NASHVILLE**, helps people pay their past due utility bills and access affordable, income-based rent. They focus primarily on the most vulnerable in our Nashville neighborhoods. Families with children, seniors, those with disabilities, veterans, those experiencing homelessness.

“Obviously housing is such a big issue in our community: finding affordable housing and then keeping that affordable housing. If your electric gets cut off, that could turn into an eviction because that can be a lease violation. So even us helping with someone’s electricity is really keeping somebody in their housing.”
