

SMALL BUSINESS UNITED

United Way of Greater Nashville makes philanthropy easier and more rewarding for small businesses in our nine-county service area: Small Business United.

Our small business partners are an important, growing family of contributors, who are vital in supporting our mission and helping us meet the needs of our community—and your customers. Small Business United is helping create real and lasting change in our community while ensuring every person has an equal chance at a bright future.

Benefits include:

- Connect with other small businesses across our Greater Nashville nine-county footprint (*Cheatham, Davidson, Dickson, Hickman, Houston, Montgomery, Robertson, Stewart and Williamson counties*)
- Access to other United Way corporate partners through volunteerism and events
- Visibility and brand exposure through United Way's website and social media
- Networking opportunities with other Small Business United partners
- Volunteer and team-building opportunities
- Membership to one of our affinity groups: Patricia Hart Society, Young Leaders Society or Leaders United
- Invitation to United Way's Annual Meeting

Membership starts at a \$1,000 gift that goes directly to United Way's Community Fund, which supports more than 100 local nonprofits and United Way strategic initiatives.
