UNITED WAY
Greater Nashville

AT UNITED WAY OF GREATER NASHVILLE,
**WE ARE COMMITTED TO BUILDING
A BRIGHTER FUTURE.**

A FUTURE WHERE

- No one lives in poverty, all kids learn and succeed, everyone's basic needs are met, and families are healthy and strong.
- Every neighbor – no matter their background, their circumstances or their ZIP code – has the resources and support they need to thrive.

**WE ARE HERE TO
CREATE OPPORTUNITY. MAKE CONNECTIONS.
REALIZE DREAMS. FOSTER THRIVING COMMUNITIES.**

WE ARE ...

HERE IN THE COMMUNITY

With over a century of service, United Way of Greater Nashville is a force for lasting change.

TRUSTED AND EFFECTIVE

We are a proud member of Voluntary Organizations Active in Disaster, a coalition of community organizations working to match nonprofit and volunteer support with the most pressing needs of survivors.

Over the last five years, we have had an average operational overhead ratio of 9.1%, compared to the national average of 25%.

COMMITTED TO SYSTEMS-LEVEL CHANGE

Across our region, we face extraordinary challenges such as lack of affordable housing, low childhood literacy rates and households struggling to make ends meet. We are improving systems by:

- Building and strengthening collaborative infrastructures
- Building diverse stakeholder commitment
- Sparking collective action among stakeholders

HOW WE WORK

1. Program and support funding is received through grants and other sources.
2. Corporate and individual donations are received.
3. Local agencies then apply for funding through our Community Investment Funding process.
4. Volunteers review the applications and recommend allocations to our board of directors.
5. We then distribute the funds to over 150 local partner agencies in one or more of our focus areas.

WE ARE HERE TO ENSURE ...

FAMILIES HAVE A STABLE
PLACE TO SLEEP.

PEOPLE HAVE SAVINGS TO
BUILD FOR THEIR FUTURES.

EVERYONE HAS ACCESS TO
FRESH, HEALTHY FOOD.

YOUNG ADULTS ARE ON THE
PATH TO CAREER SUCCESS.

CHILDREN ARE READING
AND LEARNING.

NEIGHBORS RECEIVE SUPPORT
IN TIMES OF CRISIS.

OUR COMMITMENT TO THE NINE COUNTIES WE SERVE

The critical needs in the communities we serve ebb and flow throughout time and across counties. That is why local volunteers serve with our Community Investment Funding process, which allows us to understand the needs of each county and the outcomes our partners are striving to achieve. By engaging in this process, we ensure that our investments are strategically placed to make the greatest impact and put donor dollars where they are most needed.
