### ANDREW MCINTYRE

Andrew joined the Tennessee Titans in July of 2024 as Senior Vice President of Technology & Innovation. Andrew is responsible for the Information Technology, Audio Visual & Broadcast Technology, and DevOps departments supporting the Titans, Nissan Stadium, Ascension Saint Thomas Sports Park and the Titans House.

Prior to joining the Titans, Andrew spent five years with the Vinik Sports Group (VSG) as Senior Vice President of Technology & Innovation. VSG creates world-class experiences that grow brands, drive revenue, and impact the Tampa community. It is the parent company of the Tampa Bay Lightning and Amalie Arena, Tampa Bay Entertainment Properties, and marketing rightsholder for University of South Florida Athletics and Yuengling Center. As the leader of Technology & Innovation practice, Andrew's responsibilities include technology infrastructure & operations, audio visual & technical production, and software development. VSG leverages these competencies to support their operations throughout Tampa Bay.

Before joining VSG, Andrew spent the previous eight years with the Chicago Cubs. Andrew was responsible for software development and system implementation for enterprise business applications as well as the technology infrastructure and operations across Wrigley Field and the Chicago campus, the spring training facility in Mesa AZ, and the training academy in the Dominican Republic.

Andrew graduated from the University of Illinois Urbana-Champaign with a bachelor's degree in Mechanical Engineering and earned a Masters of Business Administration from the University of Illinois Urbana-Champaign.
