

NETWORKING OVER NASHVILLE

SPEAKER BIOS

GREG SUMMEY

Greg Summey joined Advanced Network Solutions as a senior engineer in 2004 and has provided technical stability, growth, and leadership to the team during his tenure in a variety of roles, including CTO/EVP. Greg has been directly involved in the design, implementation, security, and ongoing support of IT infrastructure for many businesses throughout the Middle Tennessee region, with an emphasis on the special needs of regulated companies.

As Regional Manager for The AME Group – Nashville, he focuses on the company's strategic initiatives and leading the organization's technical account management efforts. In addition to his twenty-five years of IT industry experience, Greg holds multiple technical certifications and a degree in Management Information Systems from Tennessee Technological University.
