

MISSION UNITED

United Way of Greater Nashville is dedicated to serving active-duty military, veterans, and their families across our nine-county footprint.

Our mission is to connect these heroes with essential, free resources—from housing support and food assistance to mental health services and financial assistance—especially as many veterans and their families across our region are living below the ALICE threshold, meaning they are working but still struggling to afford basic necessities.

Together, we honor all veterans and work to ensure they and their families can access the support they need and deserve in every community we serve.

Free Resources Available to You:

You are not Alone in a Time of Crisis

211 is a free service that connects everyone in our community with help and answers from thousands of health and human service agencies and resources right in their local communities—quickly, easily and confidentially. There are no eligibility requirements, income standards, or any other restrictions.

The Gift of Reading

Dolly Parton's Imagination Library mails one new, age-appropriate book each month to any child from birth until age five at no cost to the family. The books arrive in the child's name and are theirs to keep, read and enjoy. We welcome every child from birth to age 5 in every family to participate. Parents are encouraged to enroll siblings so that each child can receive their own books in the mail. If you would like to enroll a child or children under the age of 5, please scan the QR code or click [here](#).

Returning Dollars into the Community

The IRS created the [Volunteer Income Tax Assistance \(VITA\) program](#) to provide free tax preparation for low-income and at-risk taxpayers with the help of community partners and volunteers. Each year, United Way volunteers help thousands of individuals and families prepare their taxes. Learn more by scanning the QR code.
